

**Congratulations to my raffle winner Marvin Swosinski! He asked that I give this to a family that has been devastated from Hurricane Ian so they can enjoy a Christmas dinner that might otherwise not be possible. With a heartfelt THANK YOU, I am able to provide for a family that lived on Fort Myers beach a Christmas gift they will be forever grateful. Thank you again Marvin for helping our community look out for each other's needs and responding with kindness. I'll continue to do this raffle in the coming years.**

**Congratulations to Nicole Muschello who is our Thanksgiving Day raffle winner! She is a first-time customer who was referred to us for tires on her VW. Needless to say, she is absolutely thrilled to have the winning ticket along with being completely impressed with the new tires. Thank you to all my customers that participated in this raffle and you will have another opportunity next month to win my Christmas raffle. Look for the details coming soon. Happy Thanksgiving from the crew at South Trail Tire & Auto Repair.**
