THANKFUL, GRATEFUL & BLESSED!

I have always thought that Thanksgiving is a special holiday. A time for us to pause and remember how much we have to be thankful for. As I look back over the past 18 years that I have owned South Trail Tire & Auto Repair, I know I have truly been blessed. I took over the business in 2007 at a rough time in our country (remember that recession?) but with the support of my wife/business partner, employees, suppliers and others who advised me along the way, the business continued to thrive.

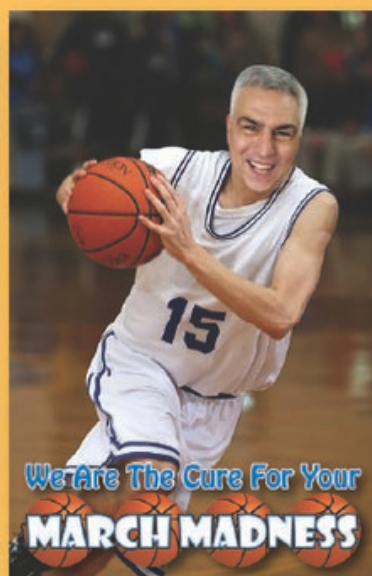

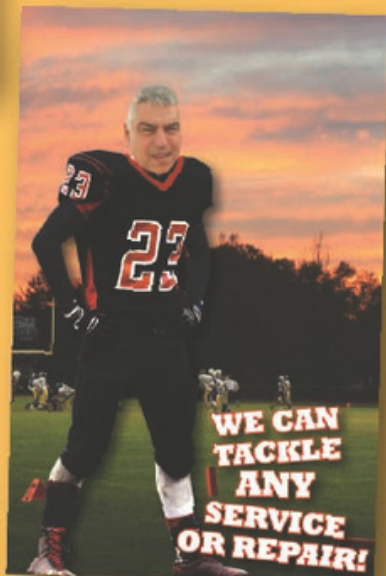

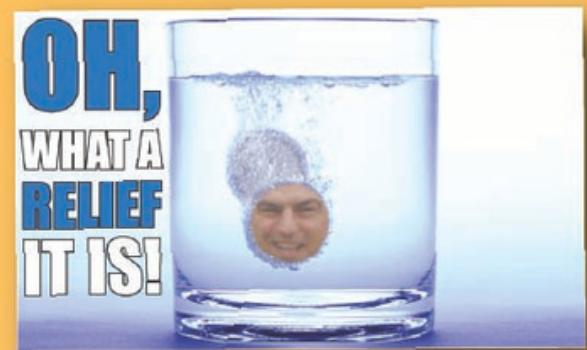

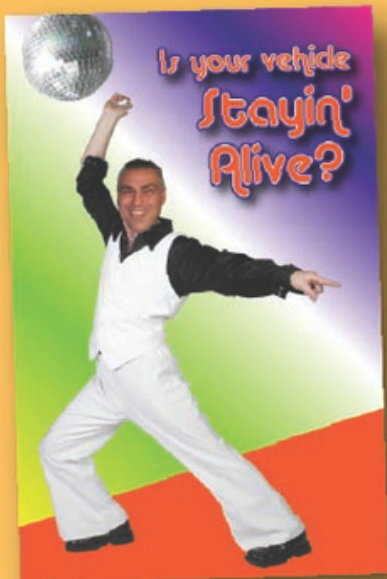

Our wonderful customers mean so much to us and many have become like family. We have been through a lot together, COVID and all the hurricanes, but our community is resilient and we always bounced back.

Now, however, the time has come for my wife and I to think about our future. I know you won't believe it, but we are getting a little bit older these days. With all that in mind and with mixed emotions, I wanted to let you know that I have decided to pass on our business to Tom Timmerman, effective October 31st. I have gotten to know Tom over the past several months and honestly, he will definitely pass on what we all have built here at South Trail Tire & Auto Repair. You will be in great hands.

But even though we sold the business, you won't be getting rid of me anytime soon! I'll still be here throughout 2026 to help with the transition. Some things change but our personal service will always be the same.

Thanks again for your support over the years. We really appreciate each and every one of you!

Meet Thomas Timmerman

I was born and raised in New Jersey. At a young age, I was always interested in cars and trucks. I raced motor cross as a teen and young adult, until my children came along. Then I focused on the automotive field where I worked at a dealership and worked my way through the ranks and held every position in the service department.

Later, I purchased a Snap On Tool franchise and became self employed for several years. Then I purchased a very busy restaurant in the Adirondack mountains of New York and managed it successfully for 20 years. During that time, I had the opportunity to purchase an automotive franchise in Fort Myers. My son then took over the day to day restaurant responsibilities and I relocated to Cape Coral, where I now call home with my lovely wife Kim and our pets.

I am looking forward to continuing John's hard work, in providing the Fort Myers and surrounding area with outstanding customer service and reliable auto repairs and services at affordable pricing.

Thank you for your continued loyalty and patronage to our great shop at South Trail Tire and Auto Repair.
