

Congratulations to Nicole Muschello who is our Thanksgiving Day raffle winner! She is a first-time customer who was referred to us for tires on her VW. Needless to say, she is absolutely thrilled to have the winning ticket along with being completely impressed with the new tires. Thank you to all my customers that participated in this raffle and you will have another opportunity next month to win my Christmas raffle. Look for the details coming soon. Happy Thanksgiving from the crew at South Trail Tire & Auto Repair.
